---

## **Professor Steve Molyneux**

Professor Steve Molyneux is one of the leading experts in the use of Information and Communication technology to support Education and Training in the UK. His expertise scans a wide range of sectors from compulsory Education to Industry and Military Training and is frequently asked to participate in 'Blue Skies' consultation at a National and International level.

He is currently an Independent Consultant for a number of National and International Organisations including Corporations, Publishers, Universities, Colleges and Public bodies. He is an Apple Distinguished Educator and the only non-employee to be appointed an ICL Fellow.
